The advertisement features a dark background with a glowing USB drive in the bottom left. Several windows are shown floating in the air, each displaying the splash screen of a different software application: LibreOffice, OpenShot Video Editor, and GIMP. The LibreOffice window is the largest and most prominent. The OpenShot window is positioned above it, and the GIMP window is below. The background also shows a faint image of a laptop and a person sitting at a desk. The text 'Free! Solutions' is written in a stylized, glowing green font at the top right.
